INSTRUCTIONS

This form must be signed during the day you attend placement by your Cooperating Teacher.

You must complete the total days of your placement. Please **record any absences on this form and mark the day as 'absent'**. Make sure you negotiate make-up dates with the school. Include the scheduled day(s) on this form and get them signed during the make-up date.

If a public holiday falls within the scheduled placement dates, **the public holiday does not count towards the total number of professional experience days** for the Teacher Education Student. In this case, please record the public holiday day as PH on this form.

Include the total number of dates completed during your placement in the total dates box, number of absences and the number of make-up days in the relevant boxes below.

This report is to be uploaded to Moodle by no later than ten (10) working days after the completion of your INSTEP or Professional Engagement Placement.
