Bachelor of Design/Education (Secondary)

Term 3 2022 Commencing Students

The Bachelor of Design/Education is a four-year program for students intending to become secondary school teachers in either Visual Arts or both Visual Arts and Graphics & Multimedia Technology.

Students complete the Design component (120uoc) and the Education component (96uoc).

The courses that the student completes as part of their studio sequences, in the Design component, will form the 'subject content' for their chosen teaching area(s). For this reason, students must choose specific combinations of studio sequences to meet NESA accreditation requirements.
